2.0 CREATING YOUR TEAM AND PAINTING

2.1 DRAFTING YOUR TEAM

Teams are drafted as described on page 12 - 14 of the Blood Bowl Matched Play Guide with the following exception:

- The Team Draft budget is 1,150,000 gold pieces.
- All contents from Blood Bowl Death Zone are not in use at this event
- The Additional Rules from pages 24 - 29 of the Blood Bowl Matched Play Guide are not in use at this event

Note, your team will remain the same for all of the games you play at the event, so there is no need to track any SPP earned during your games. However, there are plenty of awards to be won, so make sure to keep track of things like how many of your players get Sent Off and the number of Casualties you inflict!

2.2 MODELLING AND PAINTING

Playing exciting, atmospheric games with finely detailed, painted miniatures is intrinsic to the Warhammer experience. With this in mind, all miniatures in your collection must be Games Workshop or Forge World miniatures (excluding basing or scratch-built (see below) components), and be fully assembled and painted to at least a Battle Ready standard. More information on Battle Ready can be found at [Warhammer-Community.com](https://www.warhammer-community.com).

Each model must accurately represent its entry on your Team Draft list.

Many players “scratch build” or heavily convert elements of their model collection, and these activities are a hallowed part of Warhammer hobby history. For the sake of fairness, any conversion should be comparable in size to the most current version of the model they represent. You may not gain a benefit from converted models, but may incur penalties.

For any converted or scratch-built models, you must seek permission to use them from whworlddevents@gwplc.com, including photos of the models in question where possible, at least two weeks before the event.

If you do not obtain permission for conversions before this date, you run the risk of them being removed from play, or possibly incurring score penalties.

As with other exceptions, if you wish to have a model reviewed, please email whworlddevents@gwplc.com for approval.

3.0 THE PLAYER'S CODE & POLICIES

3.1 PLAYER CONDUCT POLICIES

There is a famous adage that says, 'It matters not if you win or lose, it's how you play the game.' We believe that Blood Bowl games are best played in this spirit, and at Warhammer World events we place great emphasis on playing excellent games with like-minded people at the home of Games Workshop. Therefore we expect players to play each game with a certain code of conduct to support this. When you arrive at your table for a game, greet your opponent, introduce yourself and hand over a printed version of your Team Draft list. It might be worth talking them through and pointing out the additional skills you have spent your SPP on and any inducements from your Team Draft list, before starting the game. We then expect players to treat each other positively and demonstrate good sportsmanship throughout each game.

3.2 JUDGES

Event staff will be prominently visible in the tournament hall throughout the event and hold the final say on all game rules and tournament issues. Individual rulings, however, are never binding precedent – it's a game, not a court of law. Rulings will always be based on correct rules interpretations rather than adhering to previous precedent. When calling for assistance, please be prepared to provide any relevant rules to the particular question.

3.3 A NOTE ON ACTIVE JUDGING

At Warhammer World, judges are empowered to actively stop instances of illegal play, with or without a player's specific request for intervention. If a player has concerns at any point, they are always welcome and encouraged to call a judge. While we will not have judges at every table, and we cannot stop every instance of a minor misplay, our goal here is to make sure all the games at Warhammer World are enjoyable for everyone.

4.0 EVENT FORMAT

4.1 THE GAMES

During the Quick Snap, coaches will play three games of Blood Bowl, each with two and a half hours permitted. We expect all games to be played within this time schedule, so it might be worth getting some practice games in beforehand! At the end of each round, you will need to submit your results as promptly as possible so as to not delay the following round.

The Quick Snap will follow the recommended Scoring & Tiebreakers system, and Pairings system, as found in the Blood Bowl Matched Play Guide.

4.2 FAVOURITE GAME VOTE

At the end of the event, we ask you to vote for the opponent who each gave you the most enjoyable game on the day. This might be because they were really fun to play against, tested your Blood Bowl skills fully, or it was a super-close game with exciting highlights.

The player with the most Favourite Game votes will be awarded The McMurty's Fair Play Award at the end ceremony.

4.3 PAINTING COMPETITION

During the lunch break we will hold the Best Team painting competition to celebrate hobbyists who have gone the extra mile in their modelling and painting to create something truly remarkable. The competition is open entry, though to enter you must have done the building and painting yourself and the models must be from the Team you are using at the event. Peer judging will take place with the winner earning the Best Team award.

The Events Team may specify additional requirements during the event for any unusual or particularly large entries. If you have any queries regarding the competitions, feel free to contact us before the event

4.5 A NOTE ON LATENESS

Should you arrive late to Round 1 of the event, you may lose your spot to a person on the waitlist. Assuming your spot is still available, you will be paired with any other late arrivals (again, where relevant) with a mandate to complete your game in the remaining round time. A subsequently incomplete game may result in point penalties.

4.6 EVENT AWARDS (OR THE GLITTERING PRIZES)

At the end of the Quick Snap Cup we will conduct an Awards Ceremony to celebrate coaches' prowess at the event!

The awards available can be found on page 18 of the Blood Bowl Matched Play Guide, including the suggested 'less serious' awards! In addition, there will be a Second place, Third place and Judges choice award for Best Painted Team.

5.0 HEALTH & SAFETY

At Games Workshop, the health and wellbeing of our staff, their families and loved ones, and the wider community in which we operate, is our top priority. When you attend one of our events, you can rest assured that we will be doing everything we can to make it as safe and enjoyable a time as possible.

At a minimum, Games Workshop will always follow government guidance in every area in which we operate. Where we feel we should include additional measures to further improve the safety of our community, we will.

If there are any changes these specific details will be communicated to all players closer to the event.
